

What have I learnt/ What will I take home with me?

Good examples and ideas for next meeting

Bra omfattning

Stories from the mentors

Bring inn some mentors and menti. Have a Keynote speaker

New ideas for research!

Stories from menthors

More stories from mentors and mentiis.

More fika

Less talk - mord outcome

MORE MENTORS

Good examples and ideas for next meeting

Mingle-bingo! Great way to start.

More practical content

Local ownership and participation in the Nightingale programme

More time for discussions, with other nightingale staff members. More talk about the actual assignment and not other chat about our projects.

To be hold in Switzerland. Nice to see how they are doing it there.

Mentee/children training

Group sessions and presentations mixed during the two days. And also more group sessions.

Teachers training

i liked the workshop we had today where we discussed a topic in different groups. great way to learn and get to know each other, lots of exchange and insights

Good examples and ideas for next meeting

Ideas on how to pass on mentor-experiences

Research on results

Ethical dilemmas in mentoring

Presentation of more research from the children's perspective

Literature that inspires self-reflection

Supervision

Building local ownership - in community/municipality, study programme and university. How to do it?

To make small course manuals for topics within the structure

Quality management

Good examples and ideas for next meeting

Research and mixed workshops. SDGs

Good discussions and structure. Next time bring in the literature, creating a common list of literature.

EU application

Bring inn some families to know how they feel with project

More workshops, more discussions in mixed groups, feedbacks from mentoree's

Discussions on how we work with the mentor training

Research about effects and benefits for children

Workshop: litterature for mentor training

Fundraising

Good examples and ideas for next meeting

Social event in the afternoon with mingeling and local culture... and new nightingale-friends
