

Minutes from the board meeting

the 16th of June at 3 o'clock

Present:

Tamina Kappeler
Liv Randi Roland
Carina Sild Lönroth

- **Summer Newsletter**

Liv, Lillehammer, Norway will ask the Norwegian partners if they have anything they want to share, any news, or quotation from mentors or mentees. Tamina, Zug, Switzerland will send photos from Nightingale Zug's Farewell party. Liv will also ask the Norwegian partners why they think it is beneficial to be part of the Nightingale Network. This is something we can put on the webpage as advertising for the Nightingale Network.

- **Nightingale next semester**

It might be too early to say how next semester will be running for the Nightingales, regarding to the Corona pandemic. At Malmö University the University will be locked down until 7th of November and everything will continue digitally. This is a big challenge when recruiting voluntary students. Malmö Nightingale is not a course as Nightingale Lillehammer and Nightingale Zug. They hope to be at the University next semester.

- **Annual Report and Mentor Evaluation**

The board compared the Mentor Evaluation which was made in Malmö. Zug have modified the Evaluation a little. (some more questions and translated to Swiss) Tamina will translate it back to English again and the board will take a look at it and compare the questions and also decide how the Evaluation will look like next year.

- **Network meeting 2022, February in Lillehammer**

The board decided that the next Network Meeting will be in Lillehammer, Norway, the 24th of February- 25th of February. It will not be any Conference. Partners will be encouraged to have their own National Meeting in the year 2021. Maybe the board can arrange a Zoom-meeting to? Norway and Sweden already have their National meeting, probably also Spain and a German National Nightingale Network might be possible, with German speaking partners as Germany, Switzerland and Austria.

- **Next board meeting**

The 28th of September at 2 o'clock.
